Henry Daniel

Presents

## t<sub>2</sub>: echo

Henry Daniel will premiere a revised version of *t<sub>2</sub>*, titled *echo*. The new work, *t<sub>2</sub>: echo* features four dancers, violin and electronics and will be performed at the Concourse Gallery & IDS MoCap Studio at the Emily Carr University of Art and Design. Dancers **Brenna McLeod**, **Chengxin Wei**, **Donald Taruc** & **Tara Dyberg** interact with musicians **James O'Callaghan** (computers) and **Julie Sun Lee** (violins) within an interactive design provided by **ZKM Karlsruhe**-based German media artist **Chris Ziegler**. Telepresence technology and Multiview camera systems are provided by Ivan Bajic and Jie Liang.

**Admission:** Free

**Time:** Saturday November 21st 2009, 7:30pm

**Place:** Concourse Gallery & MoCap,  
Intersections Digital Studio  
Emily Carr University of Art and Design  
1399 Johnston Street (Granville Island)  
Vancouver, BC, V6H 3R9

**Tel:** 604 844 3800

*t<sub>2</sub>: echo* is part of the "The Touched Project", which is funded by a Canada Council/NSERC New Media Grant (2007-2010).
